TIEGERMAN School Household Income Survey
2024/2025

Fall 2024

Dear Parents,

Please be advised that the Tiegerman School has been participating in the E-rate program for the past several years. The E-rate program is a Federal program which provides schools and libraries across the country with substantial discounts on their technology services.

These discounts reduce the costs of our telephone service, Internet access, and the internal connections we use to build and maintain the computer networks that link our classrooms. The size of the discounts which we receive is based on the income level of our student's families. Our local public library also benefits since it shares our discount rate. Discounts also save the district and taxpayers a substantial amount of money.

We need your help in qualifying for the largest discount allowable by providing us with some very general information. Please take a minute to fill out and return the attached survey. **This information will remain confidential and will be reported only as a total group, not by individual families, and will not be used for any purpose other than E-rate.**

Thank you for your participation in helping Tiegerman School stretch its resources to best serve all our students. If you have any questions, please call our office at 516-609-2000 Ext. 134.

Thank you,

Tiegerman School

TIEGERMAN School Household Income Survey 2024/2025

Tiegerman School receives funding from The Schools and Libraries Program. The amount of funding received is based on the income ranges of the families whose children we serve. Even if your family does not meet the Income Eligibility Guidelines, you must return the survey in order for the survey to be valid. The results of this survey will be kept confidential.
