TIEGERMAN HIGH SCHOOL

HOME OF THE KNIGHTS

Our Mission

The Tiegerman mission of “teaching the extraordinary” reflects the organization’s goal to substantively transform the lives of individuals with special needs from preschool throughout adulthood. We are committed to providing exceptional instruction, education and support to ensure that children and adults achieve their potential in life. We believe that each individual is extraordinary and through our extraordinary efforts they will achieve a more independent and successful future.

PROGRAM HIGHLIGHTS

- ✓ Curriculum– Our curricula are approved by the NYC Department of Education and aligned with the NYS and Next Generation learning standards which can lead to a Regents Diploma, a Local High School Diploma or non-diploma credentials of either the Career Development and Occupational Studies Credential (CDOS) or the Skills and Achievement Commencement Credential (SACC)
- ✓ Instructional Approach- Tiegerman utilizes a differentiated instructional approach with intensive language intervention to individualize classroom instruction. 12:1:3 student to staff ratios taught by highly qualified staff
- ✓ Departmentalized Classes– Students receive intensive academic instruction during an 8 hour day consisting of 10 periods
- ✓ Vocational Program– Four pathways (Retail Marketing, Family & Consumer Science, Business Technology, Computer Arts) are embedded into the curriculum and aligned with Career Development and Occupational Studies (CDOS) standards
- ✓ Related Services (Speech and Counseling)
- ✓ Tiegermans Student Academic Program (SAP)- An additional daily period integrated into the student's schedules that provides remedial support based on individual needs and prepares the students for state assessments
- ✓ Life Skills/Travel Training- Classroom lessons are designed to introduce the students to public transportation (subway, train, bus) and provides students with the independent living skills necessary to be successful post-graduation
- ✓ Work Based Learning (WBL) – Extends the classroom into the workplace, connecting acquired knowledge and skills to a student’s future employment. Tiegerman has partnered with Old Navy, Applebee’s, Walgreens, Burger King, Calvin Klein, Tommy Hilfiger, and a Real Estate office and more.

TRANSITION PLANNING

Students develop individual transition plans and utilize strategies to continue the transition process to the post-secondary world.

CAREER EXPLORATION

- Exposure to various careers
- Curricular and programmatic options based on school, work, and community based learning
- Evaluation of work force readiness
- Vocational assessments

SELF DETERMINATION & SELF ADVOCACY

- Help students make informed choices
- Support skills needed for the post-school environment
- Encourage self-awareness

SUMMER PROGRAM

In addition to our commitment to academic excellence, Tiegerman recognizes the need for involvement in extra-curricular pursuits. During our six-week summer program, our students engage in activities of interest which showcase their creative talents.

COMPUTER ARTS

- This pathway is designed to introduce students to the various fields of design and art. Students learn about computer software that is used in all aspects of the industry
- Hands-on experience with Adobe Photoshop and Microsoft Publisher
- Students take photographs and edit digital images to create postcards invitations, banners, gift cards, calendars, menus, and programs

FAMILY & CONSUMER SCIENCE

- This pathway is designed to expose students to the principles of nutrition and its relationship to the food service industry. Topics include personal nutrition fundamentals, weight management, exercise, nutritional adaptation, analysis of recipes/menus, healthy cooking techniques, and marketing nutrition in a food service operation

BUSINESS OFFICE TECHNOLOGY

- This pathway is designed to train students in office technology. Classroom instruction includes the operation of office equipment and procedures.
- The curriculum includes Microsoft Word, Power Point, Publisher and Excel
- Students create resumes, cover letters, spreadsheets, brochures, slideshow presentations, and research various topics

RETAIL MARKETING

- This pathway is designed to expose students to the various components of the retail industry. The students are taught the operations of retail establishments, related technology, and marketing
- Students learn related skills such as inventory control, setup design, how to operate a register, and loss prevention, by actively working in our Calvin Klein and Tommy Hilfiger stores located on campus

Coordinators Office of Student Activities

Coordinators Office of Student Activities (COSA) provides students with programs and extracurricular activities, aligned with the mission of Tiegerman High School. COSA assists and empowers students to achieve their highest potential in the field of leadership. COSA works closely with students, staff, and the community to create a stimulating and inclusive environment that is conducive to the growth and development of our students.

Knights Intramural Program

The Intramural Athletic Program is designed to encourage students to participate and showcase their athletic abilities. Intramural sports are offered throughout the school year on a rotational basis, providing students an opportunity to enjoy a variety of different sports.

Student Council

Student leaders are elected by their peers, and collaborate with the student body and staff to positively influence the school community. The student government organizes various events and activities throughout the school year.
