Summer Fun

School isn't just about learning—summer is a time for fun, too!

Our annual Spirit Week brings students and staff together in friendly competition through team challenges, intramural games and theme days. This summer's theme was PIXAR, and each team met weekly to choose a Pixar movie and incorporate it into their hallway decorations.

Teams also competed in a variety of events, including our school-wide Scavenger Hunt. Participants worked together to complete 25 different activities, from taking photos with members of the Administration to acting out scenes inspired by beloved Pixar characters. It was a week filled with creativity, teamwork, and school spirit!

BACK TO SCHOOL

What a busy back-to-school season for our students and staff!

September kicked off with our Back to School Rally, this year's House of Games meetings, creative Door Decorating Contests, and a special Senior Breakfast.

October has been just as exciting. Our intramural games are now underway, students organized a Dirt Cup sale to raise funds, we held student elections, and we wrapped up the month with a fun and festive Halloween Social.

It's been a wonderful start to the school year, filled with energy, involvement, and school spirit!
