## TIEGERMAN TRANSITION NYC - PROGRAM OVERVIEW

**TIEGERMAN TRANSITION NYC** is an individualized program for individuals 17-21 with learning differences.

**TIEGERMAN TRANSITION NYC's** primary goal is to enhance individuals' employability by participating in internships to strengthen their career readiness.

An intense focus is placed on enhancing employability skills, social-emotional enrichment & individualized academic development.

## TIEGERMAN TRANSITION NYC Hybrid Model

**TIEGERMAN TRANSITION NYC's** hybrid model includes daily internship experiences, while incorporating career readiness courses that actively prepare individuals for the workforce.

Individuals develop the foundational skills necessary for a successful transition to a career path that aligns to their skill set.

**TIEGERMAN TRANSITION NYC's** hybrid programming provides individuals three hours of daily internships to practice their job specific skills under the supervision of a Transition Specialist.

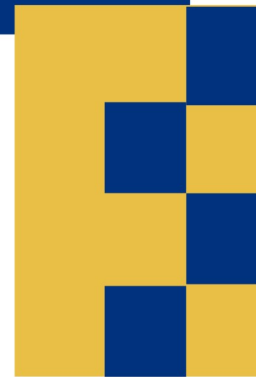

Individuals take vocational electives which further their independent living and career development skills.

## TIEGERMAN TRANSITION NYC TRANSITIONAL TEACHERS

**TIEGERMAN TRANSITION NYC** has highly qualified educational staff who are trained to support each individual's transitional goals.

A Transition Teacher meets with the individual on a weekly basis to develop goals, review coursework and discuss progress on the individual's internship.

Quarterly individualized progress marks are provided to ensure each individual is actively working towards their career goals.

## TIEGERMAN TRANSITION NYC

Each individual is assigned a Transition Teacher who collaborates with families and individuals to help develop a personalized career path.
